## ANNOUNCEMENTS

We are dis-continuing the coffee hour for the time being due to the high covid numbers. Hopefully this will only be short term. Also please remember to avoid holding conversation in the church after services. Outside is fine.

The advent fasting season began on Nov 15. Please consider what level of fasting you will be doing. If uncertain, Fr. Mark is available to consult.

Beginning on Wed. Nov 24, we will try resuming our mid-week vesper service at 6pm. If there is sufficient interest, we can continue each week.

Please bring items for the Christmas food collection. Place them in the basket in the back of the church.

Please remember to maintain some amount of social distance in the communion line and in the consuming of bread and wine after communion. We are now having our community meal after the liturgy in the basement dining room. There is a new air purifier there. Each of us can decide whether they are comfortable to be together for this meal.

We are requiring that everyone wear a mask inside the church regardless of vaccination status. We have added air purifiers to the nave for greater protection. Please remember to remain at home if you are ill with any symptoms.

Live streaming of services-You can find them by going to YouTube and entering St Jacob Church, Vermont. We live stream both Sat vespers at 6pm and Sun liturgy beginning at 9:30. (Hours at 9:05)

Thank you to everyone for continuing to support our parish community. You can use the donation boxes in the vestibule or send contributions to any of the following:
